

Acumuladores industriales de Energía Solar

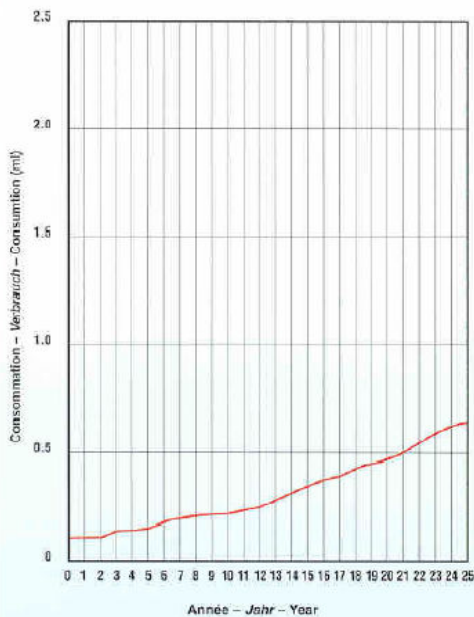

Capacité – Kapazität – Capacity

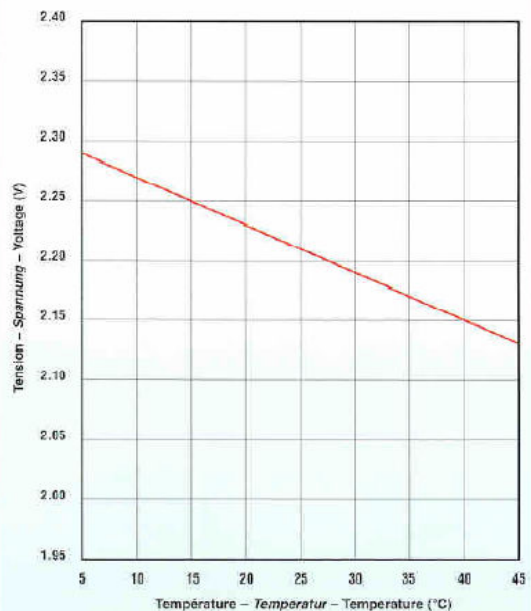

Capacité/Température – Kapazität/Temperatur
Capacity/Temperature

Consommation en eau – Wasserverbrauch
Water consumption

Tension flottante – Schwebespannung
Float Voltage

Type Typ Type				Tension Spannung Voltage V	Capacité Kapazität Capacity Ah	Dimensions Abmessungen Dimensions mm			Poids Gewicht Weight kg
					en/in/in 10 h C ₁₀	Long./Länge Length	Larg./Breite Width	Haut./Höhe Height
